

Sports-Cote™ GMC Gold
is applied using a
transfer-wheel machine

FREE FLOWING WATER-BASED LINE MARKING PAINT

Sports-Cote™ GMC Gold is a highly-concentrated water-based line-marking paint.

This option is preferred by smaller clubs and facilities.

The dilution of the paint at the point of application is under the control of the user and may be adjusted to suit the conditions of the surface.

Sports-Cote™ GMC Gold has the following features:

- Free-flowing for easy dilution in water
- Bright pigmentation for high visibility
- Weather resistant when dry
- Acrylic resin binder to give better adhesion and a long lasting line
- May be used in any suitable transfer-wheel machine
- For over-marking, capable of being diluted 1:6

Sports-Cote™ GMC Gold is intended for use on natural grass and shale surfaces and is applied by transfer-wheel machines.
