

Sports-Cote™ GMC Platinum
is applied using a
transfer-wheel machine

SUPER CONCENTRATED WATER-BASED LINE MARKING PAINT

Sports-Cote™ GMC Platinum is our super-concentrated water-based line-marking paint.

The user has complete control over the dilution of the paint allowing the freedom to balance the speed of application and intensity of the resulting line.

Sports-Cote™ GMC Platinum has the following features:

- Free-flowing for easy dilution in water
- Brilliant pigmentation for high visibility
- Weather resistant when dry
- High acrylic resin binder content to give better adhesion and a long lasting line
- May be used in any suitable transfer-wheel machine
- For over-marking, capable of being diluted 1:8

Sports-Cote™ GMC Platinum is intended for use on natural grass and shale surfaces and is applied by transfer-wheel machines.
