

Sports-Cote™ GMC Sprayjet is applied using any suitable spray machine

SPRAY APPLIED WATER-BASED LINE MARKING PAINT

Sports-Cote™ GMC Sprayjet is ready for application straight from the container.

This ready for use water-based line-marking paint is ideal for initial marking but may be diluted at a 1:1 ratio for over-marking.

Economic to use, **Sports-Cote™ GMC Sprayjet** may be used in spray marking machines.

Sports-Cote™ Sprayjet has the following features:

- Ready for use for better control of costs
- May be used when access to clean water is restricted
- Free-flowing for easy dilution in water
- Highly pigmented for a bright line
- Acrylic resin binder gives better adhesion and a long lasting line
- Weather resistant when fully dry
- May be used in any suitable spray marking machine.
- For over-marking, capable of being diluted 1:1

Sports-Cote™ GMC Sprayjet is intended for use on natural grass and shale surfaces and is applied by spray marking machines.
