

Standard Colours

The colour of the applied coating may differ from the above representation. Contact our Technical Service Department if an accurate sample is required. Special colours are also available on request.

Court Design Sports-Cote™ Sports-Line AG

Description

Sports-Cote™ Sports-Line AG is a high performance two pack polyurethane line-marking paint for artificial grass and “polymeric” sports surfaces.

Sports-Cote™ Sports-Line AG is a paint specially formulated for application to “polymeric” surfaces and all types of artificial grass including those with yarn systems based on nylon, polypropylene or co-polymers whatever the pile length.

Sports-Cote™ Sports-Line AG incorporates a unique blend of polymers and tack promoters to ensure optimum adhesion and longevity. **Sports-Cote™ Sports-Line AG** also utilises UV resistant polyurethane technology, providing the paint with outstanding colour retention properties throughout its service life.

Uses

Sports-Cote™ Sports-Line AG is used to line mark activity areas on “polymeric” and all manner of artificial grass sports surfaces.

Sports-Cote™ Sports-Line AG's colour retention properties mean activity lines remain highly visible for the lifetime of the paint.

Model Specification

- Product: **Sports-Cote™ SPORTS-LINE AG**
- Number of coats: Two
- Colour: _____
- Substrate: Supplier's Instructions
- Preparatory work: Supplier's Instructions
- Application: Supplier's Instructions
- Supplier: Sports Coatings Limited
- Contact: Technical Service Department
01440 766366

Substrate and Preparatory Work

In the case of “polymeric” substrates any loosely adhered debris must be removed by vacuuming, blowing or sweeping prior to the application of **Sports-Cote™ Sports-Line AG**. Any firmly adhered contamination should be removed by low pressure power washing.

Artificial grass substrates must be clean and thoroughly dry prior to application of **Sports-Cote™ Sports-Line AG**.

Previously coated substrates should be assessed for compatibility prior to application of **Sports-Cote™ Sports-Line AG**.

Application

Most light-duty airless spray units are suitable for spraying **Sports-Cote™ Sports-Line AG** (please contact our Technical Service Department for further guidance). Tip sizes will usually be in the 18-20 thou range.

Thinning

Sports-Cote™ Sports-Line AG can be thinned with **Sports-Cote™ Polythinners** up to a maximum of 10% by volume. (For further information please refer to the **Sports-Cote Polythinners** Technical Data Sheet.)

Application Conditions

Sports-Cote™ Sports-Line AG should be applied in fine, dry weather and when ambient temperature is higher than 5°C and likely to remain so for 6-7 hours after application.

Note: situations where frost may occur within 24 hours of painting must be avoided.

Packaging

4 litre kits.

Coverage

At a line width of 50mm, 20-40 linear metres/litre.

Note: coverage will vary depending on substrate porosity, application temperature and technique. In the case of artificial grass, fibre type and pile length significantly affects coverage.

Technical Information

Pot life: 2 hours at 20°C.

Drying time: 6-8 hours at 20°C.

Note: both pot life and drying time will be significantly extended at lower application temperatures.

Shelf Life

Sports-Cote™ Sports-Line AG has a shelf life of approximately 12 months in original, unopened packaging.

Storage

Store above 5°C in an environment safe from frost.

Aftercare and Maintenance

Detailed guidance on the maintenance of painted courts may be found in SAPCA's Code of Practice for the Maintenance of Synthetic Sports Surfaces (www.sapca.org.uk).

Life Expectancy

If the court is used in accordance with its intended purpose **Sports-Cote™ Sports-Line AG** will give acceptable performance for a minimum of 12 months. However, certain factors will influence the performance of the paint and may well result in premature wear. Detailed guidance on the factors can be found in SAPCA's Code of Practice for the Maintenance of Synthetic Sports Surfaces (www.sapca.org.uk).

Health and Safety

Sports-Cote™ Sports-Line AG is a solvent-based paint and has attendant health and safety implications. For more detailed information please consult **Sports-Cote™ Sports-Line AG**'s current Material Safety Data Sheet.

Further Information

To ensure you are specifying or applying a fit for purpose coating please contact our Technical Services Department.
