

Sports-Cote™ Pro Hardcourt Cross-section

HIGH PERFORMANCE HARD COURT ACRYLIC SURFACE

Sports-Cote™ Pro Hardcourt is an economic court that is a favourite with many players. The system has no cushioning layers but has appearance and durability characteristics that match those of the other surfaces in the **Sports-Cote™ Pro** range of products.

The **Sports-Cote™ Pro Hardcourt** acrylic system comprises one resurfacer coat and three hardwearing colour and texture coats.

Sports-Cote™ Pro Hardcourt coatings can be adjusted to meet the slip resistance requirements for other sports such as netball, basketball and five-a-side. This makes it the ideal surface choice for Multi Use Games Areas (MUGAs).

All materials used in the formulation and installation of these products are environmentally friendly.

Sports-Cote™ Pro Hardcourt surface is available in a wide range of court pace classifications.
