

FAST DRY COATING FOR SQUASH COURTS WATER-BASED AND 100% ACRYLIC

The **Sports-Cote™ Sport Garde** is a fast drying water based 100% acrylic coating for squash court walls. The product has been proven, over many years in use, to be a leader in this very specialised application.

The unique formulation of **Sports-Cote™ Sport Garde** combines fast drying, low odour and “easy clean” properties together with outstanding adhesion to substrate.

The walls of a squash court are subject to frequent impact and abrasive action.

Sports-Cote™ Sport Garde is designed to withstand these effects resulting in good looks that last longer with a minimum of maintenance.

- Smooth matt finish**
- Excellent levels of reflectance**
- Low odour**
- Excellent adhesion**
- Fast drying**
- Low maintenance**
- Easily cleaned**
- Easy application**

Sports-Cote™ Sport Garde is used to coat the walls of squash courts where superior whiteness, adhesion and ease of cleaning are paramount. The coating can also be used for the walls of courts where other racquet based sports are played.
