

### Description

**Sports-Cote™ Sport Garde** is a single pack coating designed for application to the walls of squash courts.

**Sports-Cote™ Sport Garde** is formulated using water-based acrylic technology which provides for a fast-drying, low odour and easy-to-clean coating with outstanding durability.

### Uses

**Sports-Cote™ Sport Garde** is used to coat the walls of squash courts where excellent whiteness, durability and ease of cleaning are of paramount importance.

**Sports-Cote™ Sport Garde** can also be used on the walls of courts where other racquet based sports are played.

### Model Specification

- Product: **Sports-Cote™ Sport Garde**
- Number of coats: Two
- Substrate: Supplier's instructions
- Preparatory work: Supplier's instructions
- Supplier: Sports Coatings Limited
- Contact: Technical Service Department  
01440 766366

### Substrate and Preparatory Work

Substrates must be clean, dry and free from any loosely-adhered materials. Previously coated substrates must be assessed for compatibility prior to application of **Sports-Cote™ Sport Garde**.

### Application

**Sports-Cote™ Sport Garde** can be brush, roller or spray-applied. For best results when rolling, use a short-pile roller. Use a 15-17 thou tip when airless spraying.

### Thinning

**Sports-Cote™ Sport Garde** is supplied ready for use. If thinning is necessary use no more than 5% by volume clean water.

*Note: thinning will reduce the coating's opacity.*

### Application Conditions

**Sports-Cote™ Sport Garde** should only be applied when ambient temperature is higher than 5°C and likely to remain so for 6-7 hours after application.

*Note: situations where frost may occur within 24 hours of painting should be avoided.*

### Coverage Rate

Porous substrates: 8m<sup>2</sup>/litre/coat.

Non-porous substrates: 10-12m<sup>2</sup>/litre/coat.

*Note: coverage will vary depending on substrate porosity, application temperature and technique.*

### Drying Time

Approx. 1 hour at 20°C.

*Note: drying time is dependent on ambient temperature and relative humidity levels. If applied below 20°C or in cool, damp air, drying times will be extended.*

### Packaging

20 litre pails.

### Shelf Life

**Sports-Cote™ Sport Garde** has a shelf life of approximately 6 months in original, unopened containers.

### Storage

Store above 5°C in an environment safe from frost.

### Health & Safety

**Sports-Cote™ Sport Garde** is a water-based paint, making it relatively safe to use and minimising the risk of environmental impact from its usage. For more detailed information please refer to the **Sports-Cote™ Sport Garde** current Material Safety Data Sheet.
